

the *DINOSAUR'S* SKIN

TWO DINOSAURS,
IN A BAND

BIO

The Dinosaur's Skin is a Jurassic-Pop duo consisting of **Trex** and **Triceratops**, the last two remaining dinosaurs on Earth.

They write and perform songs about their prehistoric adventures in search of other dinosaur survivors and to mourn their deceased friends. Their songs range from **indie pop, lo-fi ballad, feel-good indie rock** to **ambient dream pop**.

With over **18.6 million Spotify streams**, two **Golden Melody Awards** nominations for Best Vocal Group, and a **Golden Indie Music Awards nomination** for Best Live Performance, they have brought their unforgettable prehistoric live show to stages across the UK, the US, Canada, France, Thailand, Indonesia, South Korea, Hong Kong, and Taiwan.

PRESS

A blue-tinted photograph of a band performing on stage. The band consists of several members, including a lead singer in the center with arms raised, a guitarist on the right, and other musicians. The stage is lit with blue light, and a large crowd of people is visible in the foreground, many with their hands raised. The overall atmosphere is energetic and vibrant.

"A DREAMY FUSION OF BEDROOM POP, SYNTH POP, AND INDIE ROCK THAT'S EQUAL PARTS NOSTALGIC AND FUTURISTIC."

— RECORD OF THE DAY, UK

"THE SONGS ARE FULLY REALIZED AND A FASCINATING COMBINATION OF WHIMSY AND MELANCHOLY."

— KUTX, ON "JURASSIC RIDE", US

"THEIR SOUND, TRANSCENDING SPECIES AND ERAS, WAS AT TIMES WHIMSICAL, YET PROFOUNDLY ROMANTIC."

— FAKE MAGAZINE, KOREA

"AN ARCHAEOLOGICAL JOURNEY THROUGH TIME AND SPACE, BLENDING PREHISTORIC THEMES WITH MODERN REFLECTIONS."

— BLOW MEDIA, ON I DIG YOU
